SPIRITUAL FOUNDATION

abcde

Open Arms Christian Child Development Center is built on God's love. Our goal is to provide a nurturing and safe environment for the development of children and their families through a loving, Christ-centered, Bible-based Center.

Open Arms is a ministry of Living Hope Lutheran Church. The Pastor and staff of Living Hope are present daily for the households of our community. It is our privilege to invite you and your family to worship and live out our faith together.

As part of our spiritual community there are many opportunities to share our faith with each other, while growing in our journey with God. During the course of a year, there are multiple family-oriented activities that allow you and your child the opportunity to spend time together and in fellowship with other families from both the Center and the congregation.
