## School-Age SUMMER CAMP 2011

"G.R.O.W"

(The) **Green** Rangers Really Outstanding Wonders

This years' summer camp theme will be "G.R.O.W"! Come and join the **Green Rangers** as they discover and explore some **Really Outstanding Wonders** right in our own backyard and the surrounding communities all around us! We will be taking our children on an exciting 10-week journey into the many wonders that surround us in the natural environment that is all around us. Our journeys will take us to "far away and near-by" places, such as local Parks, Hiking Trails, Marine Base Museum, National Zoo and many others. We will be making great discoveries about ourselves, others, the world around us, and of the utmost importance--- how to establish and maintain our environment and how to be the best "GREEN" Rangers that we can be!
